

Martin Abell *for* University-Rosedale

24 May 2017

Dear Friend,

The Ontario Progressive Conservatives are poised for a breakthrough in Toronto.

We've been shut out here in every general election since 1999. But after 14 years of Liberal mismanagement and corruption, it's long past time for a change at Queen's Park. And our neighbours are once again willing – however cautiously – to listen to our message.

It's an opportunity for us to demonstrate by our words and our actions that the PC Party under Patrick Brown will focus on the priorities – affordable hydro, reliable infrastructure and reduced red tape – to build a more competitive economy. We will be good stewards of our environment and natural heritage. We will care for the most vulnerable and marginalised among us. And we will be a welcoming home to all, regardless of “who you are, where you're from, who you love or how much you make.”

These are my values and these are the values of our PC Party. We need responsible, experienced voices to communicate these values and this message here in Toronto. And it would be a tremendous honour and privilege for me to be one of those voices as your candidate in University-Rosedale.

I am asking for your support at our nomination meeting on Wednesday, June 21st and I am eager to connect with you – by phone, email or in person – to earn your support between now and then. Please contact me at 416-529-9942 (mobile) or at martinabellPC@gmail.com so we can talk or arrange a time to meet. I look forward to speaking with you and would welcome your input, advice and suggestions.

Thank you for your time. I look forward to getting to know you better in the days ahead.

Sincerely,

A handwritten signature in blue ink that reads "Martin". The signature is stylized and fluid.

Martin Abell.

P.S. Only current PC members, signed up by June 6th, are eligible to vote at the nomination meeting. Please complete the enclosed form and contact me – I would be happy to meet up with you to collect the completed form, along with your payment, and to submit it on your behalf.
